### How can my child get help with assignments?

Teachers and staff are available by email and are often online to answer questions immediately.

### How much time will these lessons take to complete?

As this program is a substitute for traditional instructional time, expect a similar workload, where students may work at their own pace. Lessons for a given day may take students between 2-6 hours to complete, depending on their work pace.

### How will I be notified of Online Learning?

- Owsley County Board of Education Facebook page & other social media,
- OneCall automated phone call systems may be used intermittently.
- Local News Channels

*Absence of an announcement, assume school is in session.*
